

ALLA BREVE WEDDING MUSIC WORKSHEET

This page can be used as a worksheet for outlining your music selections. You may fill it in and send it or email it to us, or you can email your ideas as a separate message. We can also cover these topics together via phone consultation. The format given on this page can be used for most Catholic ceremonies and masses. Remember it is always helpful to get recommendations from your officiant. The second page is a worksheet for cocktail hour music, if needed.
